

# CHRIST WILL

By  
SAMAEL AUN WEOR

## INTRODUCTION

“And I saw in the right hand of him who was seated on the throne a scroll written within and on the back, sealed with seven seals; and I saw a strong angel proclaiming with a loud voice, “Who is worthy to open the scroll and break its seals?” (Rev 5:1-2).

This divine scroll is man, and the seven seals are the Sacred Serpents that we have to lift over the Rod, as Moses did in the desert.

This is the Great Arcane.

In this book we study the Mysteries of the Fifth Seal. In this book we study in detail the great mysteries of the Human Will.

Much has been written about the Will, but nobody has ever studied the great mysteries of the Universal Will.

“Then I saw another mighty angel coming down from heaven, wrapped in a cloud, with a rainbow over his head, and his face was like the Sun, and his legs like pillars of fire.”

“... And called out with a loud voice, like a lion roaring; when he called out, the seven thunders sounded.” (Rev 10:1,3).

When man has raised his seven Serpents, he is converted into a majestic angel, crowned by the rainbow (above his head).

This rainbow is the seven tongues of ardent Fire that convert us into Kings and Priests of the Universe.

The seven thunders are the seven voices, the seven vowels, the Seven Serpents that convert us into Omnipotent Gods of the Universe.

In this book we study the magnificent Mysteries of the Will.

It is necessary to Christify the Will.

It is necessary to become all-powerful.

We want the will to become Fire.

All the greatest powers of the Universe are contained in the SEX.

All the terrifying powers of the Creation slumber in our creative organs.

LOVE is the foundation of the GREAT WORK.

Man and Woman united sexually can become terrifying monarchs of Nature.

When a Man and a Woman are sexually united, something is created.

Those who want to christify their Will must intensely practice Sexual Magic with the woman.

Those who want to become Gods must practice their cult of Sexual Magic with the Woman.  
Whatever is not done in this manner, is regrettably a waste of time.

## CHAPTER 1

### THY WILL BE DONE.

1. Have you seen Oh! BUDDHA, those ineffable beings that in the world of the will reverently bowed before the majesty of the FATHER.
2. Thy will be done, Oh, MY GOD, on earth, as it is in heaven.
3. "Father, if thou art willing, remove this cup from me; nevertheless not my will, but thine, be done." (Luke 22:42-45).
4. The will must kneel before the INTIMATE.
5. The will must humiliate itself before the majesty of the FATHER...
6. If we wish to christify the body of will, we must do the will of the FATHER, on earth as in heaven.
7. THE FATHER and THE SON are ONE, but the rebel SON is weak before the majesty of the FATHER.
8. The Christic will is powerful, because it only does the will of the INTIMATE, on earth as in heaven.
9. When the will wishes to act independently, without doing the will of the FATHER, it is a weak will.
10. We must put on our temples the Crown of thorns of the Master.
11. The crown of thorns symbolises the CHRISTIC will.
12. The Christic Will is omnipotent, because it only does the will of the INTIMATE, on earth as in heaven.
13. When the human will opposes the will of the FATHER is guilty of lèse majesté.

## CHAPTER 2

### THE AWAKENING OF THE FIRE.

1. You have awakened your fifth Serpent, to Christify the body of will.
2. Rejoice Oh! Illuminated Buddha, because your human will will become the Christic Will.
3. A beautiful child appears in the Causal world, he is the body of your Will.
4. A steel door opens, resembling the door of a garden, enter my son... enter...
5. My brother, take with you, the body of Will; your beautiful child, take him to the temple to celebrate the occasion. Observe him well, brother of my soul, in the Coxygeal bone of the Causal body. You will see the fifth Serpent awakened...
7. The glorious march has started, which will culminate in the total Christification of the Will...

8. The Christic Will will shine now...
9. The Human Soul will now bow before the Will of the FATHER...
10. Receive brother of my soul the sacred ring... and your holy cloth...
11. A decrepit old man appears in your path...
12. The old man has spoken, and says... Abandon the earthly things...
13. Listen to it, my brother, listen to it, Oh! BUDDHA...
14. I tell my ARHAT that it is necessary to liberate the will from the earthly things...
15. I tell my ARHAT that the EGO—MANAS hides in his breast the unbearable burden of the centuries...
16. I tell my ARHAT that time is only a withered and decrepit old man, from which we must liberate ourselves...
17. I tell my ARHAT that the EGO—MANAS must liberate itself of the burden of the centuries...
18. The memory of Nature is contained in the Causal plane, the unbearable burden of the years...
19. Through time, the human will got used to reacting unceasingly towards the earthly things, seduced by the Human Mind.
20. Through the epochs, the Human Will has let itself be influenced by the earthly things...
21. The memory of the past and the preconceptions converted the Human will into a defensive self-barrier, inside which the Human Soul remained prisoner.
22. All of these prejudices made the human will a slave to earthly things...
23. The burden of the centuries, ancient, withered and degenerate, enslaved the souls...
24. The prejudices, the preconceptions and the dust of the years, disfigured the human will, converting it into a horrible monster, in the service of the mind and the desire...
25. Now, the Fifth Serpent liberates the Human Will of the earthly things...
26. Now the Human Will will beat the dust from its white hair, and will become the Christic Will.
27. Now, the Human Will will only obey the orders of the INTIMATE, because already the DIVINE TRIAD has liberated itself from the four bodies of sin.
28. Through the Aeons, the fear and the search for security have enslaved the body of Will, making it into a barrier of personal self-defence.
29. It is the fear and the yearning for security that has transformed the human will into a poor victim of the four bodies of sin.
30. It is the burden of the past, it is the dust of the years, with all of their ancestral Prejudices, which have converted the human will into a miserable slave of the earthly things.
31. The moment has come to liberate the human will of the horrible prejudices and of the sinister inheritance of fear and cravings.
32. Rejoice Oh! BUDDHA, that now your Human Will will become the Christic Will.
33. The moment has come to liberate the Human Will of the ancient fears of the past.

34. Thousands of ignorant writers have written volume after volume about the will, but, which of them has ever said anything about the Christic Will?
35. Paul Jagot, Atkinson, Mesmer, Marden, etc., who spoke so much about the will, were nothing but simple black magicians, charlatans, conmen, that only wished to enslave the will of men, putting it to the service of the base passions and earthly things.
36. Krishnamurti was nothing but an ignorant illiterate, who was only able to see the human will, but not the Christic Will.
37. Krishnamurti despised the poor prisoner, but was unable to take off the painful shackles from her.
38. Krishnamurti limited himself to the study of the jails of the will, but was unable to open the doors to the poor prisoner.
39. We can only open these doors of the poor prisoner with the KUNDALINI of the body of Will.
40. Only by going through the doors of OLIN, can we break the chains that have made the Human Will a prisoner of earthly things.
41. Only the key of the Kundalini permits us to open the locks of the sinister prison where the human will finds itself prisoner.
42. We must put on our temples the crown of Thorns of the Master.
43. The sacred cloth, the divine face, with his crown of thorns, symbolises the Christic will.
44. The holy shroud or holy cloth where the face of the CHRIST remained imprinted precisely symbolised the Christic Will.
45. When the Holy Women cleansed the face of the Christ with the holy cloth, they were astonished when they saw the face of the Master on the sacred cloth...
46. With this miracle, the Martyr of the Calvary taught us the path of the Christification of the Will...
47. The Will must kneel before the majesty of the INTIMATE...
48. The Will must only obey the INTIMATE.
49. The Will that obeys the four bodies of sin lives as a prisoner amongst the chains of bitterness...
50. "Father, if thou art willing, remove this cup from me; nevertheless not my will, but thine, be done." (Luke 22:42-45).
51. The Human Will must put on its temples the crown of thorns.
52. The Christic Will only does the will of the FATHER, on earth as it is in heaven.
53. The Christic Will is a rebel against the earthly things, because it only obeys the will of the FATHER.
54. CHRIST did not give in before Pilate; neither did he bend his knees before Caiaphas, because the Christic Will only kneels before the Will of the FATHER.
55. The Christic Will is heroic, the Christic Will only bends and only kneels before the Will of the FATHER.
56. The Christic Will only kneels before the FATHER. The Christic Will is sacrifice and filial love towards the FATHER.

57. The Christic Will is the Sun, the Cosmic Christ, the Martyr of the Calvary in us, the Divine face imprinted on the holy cloth.

### CHAPTER 3

#### PROBISTMO

1. Probistmo is the science that studies the mental essences that imprison the mind.
2. Probistmo, is that inner wisdom that permits us to study the jails of the mind.
3. Probistmo is that pure science that permits us to know thoroughly the errors of the individual minds.
4. THE BUDDHA, who is rising his Fifth Serpent over the rod, must study deeply probistmo, to guide wisely the train of human evolution along the spiral rail of life.
5. Probistmo is the science of the “ESOTERIC TRIALS”.
6. Every BUDDHA must study Probistmo.
7. The Buddhist self-evidence and self-reflection enable us to take to our intuition concepts of content, that are translated into divine intuitions.
8. In this way you are preparing, my brother, as a Hierophant of Major Mysteries. The Mind of men must liberate itself from every kind of school, religion, sect, political party, concepts of fatherland and flag, etc.
10. The Human Mind must liberate itself from fear and desires.
11. The Human Mind must liberate itself from the longings for accumulation, from attachments, from hates, from selfishness, from violence, etc.
12. The Mind must liberate itself from the processes of reasoning that divides the mind in the battle of the antithesis.
13. A mind divided by the depressing process of the option cannot serve as an instrument for the INTIMATE.
14. It is necessary to exchange the reasoning process for the beauty of the comprehension.
15. The process of the conceptual election divides the mind; the wrong action and the useless effort are born there.
16. The desires for what you crave are shackles for the mind...
17. These shackles lead man to all kind of errors, whose result is Karma.
18. Fear exerts over the mind the wish for security.
19. The wish for security enslaves the will, converting it into a prisoner of self-defensive barriers, inside which all-human miseries are hidden.
20. Fear brings about all kinds of inferiority complexes.
21. The fear of death makes men to take up arms, and to assassinate each other.
22. The man who carries a revolver on his belt, is a fearful assassin
23. The brave man does not carry arms, because he is not afraid of anybody.
24. The fear of life, the fear of death, the fear of hunger, the fear of poverty, the fear of cold and nakedness, engenders all kinds of inferiority complexes.

25. Fear leads men to violence, hate, exploitation, etc.
26. The Probistmo is the science that permits the Hierophants of Major Mysteries to know the degree of evolution reached by each disciple.
27. Every Buddha must study Probistmo thoroughly, to get to know deeply the prisons of understanding.
28. The Mind of men lives from prison to prison, and each prison is a school, a religion, a mistaken concept, a prejudice, a wish, an opinion, etc.
29. The Human Mind must learn to flow serenely in an integral way, without the painful process of reasoning, which divides it amongst the battling of the antithesis.
30. The mind must become like a child, so that it can serve as an instrument to the INTIMATE.
31. We must always live in the present, because life is only an eternal instant.
32. We must free ourselves of all kinds of preconceptions and desires.
33. We must only move under the impulses of the INTIMATE.
34. We must be contented with the rights of CANCHORRITA.
35. The rights of Canchorrita are: BREAD, SHELTER and REFUGE.
36. A very evolved humanity lives in the Planet VENUS.
37. The inhabitants of Venus, the Star of the Dawn, are real artists.
38. Each Venusian family builds its beautiful mansion, its orchard and garden.
39. This is the cosmic order; when the inhabitants of the earth are subject to the cosmic order, the economic problems of the world will disappear forever.
40. The human being has the right to live differently, with dignity and beauty, because he is not a pig, however, he must be content with the rights of Canchorrita.
41. Greed, anger and lust have their lair in the Mind.
42. Greed, anger and lust lead the souls to the Avitchi.
43. Man is not the Mind.
44. The Mind is only one of the bodies of sin.
45. When man identifies with the mind he goes to the abyss.
46. The mind is only the ass that we must ride to enter into the heavenly Jerusalem on Palm Sunday.
47. One must handle the Mind by means of the Will.
48. When the mind pesters us with useless representations, we must talk to the Mind as follows:
49. Mind, remove this representation, I do not accept it, you are my slave and I am your Master.
50. When the mind pesters us with reactions of hate, fear, anger, desires, lust, etc., let us talk to the mind as follows.
51. Mind, remove these things, I do not accept them, I am your master, I am your Lord and you must obey me, because you are my slave until the consummation of the centuries.

52. We now need men from TELEMA, men of Will, who do not allow themselves to be enslaved by the mind.
53. The BUDDHA who is Christifying his Will, must study thoroughly the PROBISTMO, to learn wisely all the essences of the Mind, all the prisons of the comprehension.
54. In this way the Hierophant of Major Mysteries can wisely lead the train of human evolution.

#### CHAPTER 4

#### THE FIRST SHAFT.

1. Your fifth Serpent has entered the first Spinal vertebra of the body of will, the Tarot card.
2. A majestic temple opens up, with an enormous altar, on which a sacred cloth is spread out.
3. The executioners whip you, the angry crowds shout: CRUCIFIXIA, CRUCIFIXIA, CRUCIFIXIA.
4. Now you can walk Oh! BUDDHA, carrying your cross, on the way to Calvary.
5. The holy women near you cry, the crowds stone you, and the Crown of Thorns pierces your aching temples... Forgive the crowds and bless them...
6. In the temples an exquisite music resounds with its sweet melodies.
7. The Serpent of the body of Will has already started its progress towards Calvary, and you have reached the first degree of the Christic Will, The Magician of the Tarot.
8. We have seven Sacred Serpents, two groups of three, with the sublime coronation of the seventh tongue of FIRE that unifies us with the ONE, with the LAW and with the FATHER...
9. These seven sacred Serpents belong to the seven bodies of man.
10. When we were elemental we had these seven Serpents above the rod, but when we ate from the fruit of the forbidden tree, the seven serpents descended and remained enclosed and prisoner in the Coxygeal centre.
11. Now man will have to raise his seven serpents above the rod, in the same way that Moses did in the desert.
12. Each serpent will rise in successive order.
13. The First serpent rises with the first initiation of Major Mysteries. The Second with the second initiation, the Third with the third initiation, the Fourth with the fourth initiation, the Fifth with the fifth initiation, the Sixth with the sixth initiation, and the Seventh with the seventh initiation.
14. A body of beauty must replace each one of our bodies of sin.
15. With the Serpent of the Physical body we build the body of Liberation, made of the purest musk.
16. With the Serpent of the Etheric body we build the SOMA PUCHICON or body of gold.
17. With the Serpent of the Astral body we build the I-CHRIST.
18. With the Serpent of the Mental body we build the MIND-CHRIST.

19. Thus, the body of Liberation, the Soma Puchicon, the I-CHRIST, and the Mind-Christ, replace the physical, Vital, Astral and Mental bodies.
20. Thus, the fire renews everything, and the Celestial man replaces the Earthly Man.
21. The seven Serpents rise above the rod, practising Sexual Magic with the priestess wife.
22. There can be sexual connection, but not a drop of semen must be spilled.
23. The restrained desire will make our seminal liquid rise up, towards the head, and we are converted into Omnipotent Gods of the Universe.
24. In this way we see our seven Serpents being risen above the rod, as Moses did in the desert.
25. However, the unmarried men and women will transmute their sexual energy by means of the music, the devotion, the oration and the love of God and the fellow men and women.
26. The unmarried will raise each of their serpents by the strength of the sacrifice.
27. Sexual abstention is a tremendous sacrifice.
28. Only the Path of Chastity and Holiness brings us to the great accomplishments.
29. Only the Path of perfection, the unselfish service in favour of the poor suffering humanity, take us to the ineffable happiness of the NIRVANA.
30. Be pure my love, be perfect, be chaste, in thought, word and deed.
31. Move forward, Oh! BUDDHA, move forward with your Cross on your back, towards the Golgotha of the Father... You have started your journey with the first card of the TAROT.

## CHAPTER 5

### THE SECOND SHAFT.

1. Sexual Alchemy activates terrifying cosmic powers, that open access to you to each of the thirty three sacred chambers of the body of Will.
2. Forward, Oh! BUDDHA, forward, the sinister ones close your path, defeat them, my brother, defeat them with the well tempered edge of your sword.
3. Shine the ineffable light inside your own dwelling.
4. Leave your shoes outside, and enter Oh! BUDDHA...
5. Your Fifth Serpent has entered the second vertebra of the Spinal Column of the body of Will. The Priestess of the TAROT, The Second Card...
6. There is ineffable music in the divine confines of the temple...
7. There is joy in the world of the natural causes. This is the Occult wisdom of the Second Card OF THE TAROT.
8. The body of Will is being converted into the Christ-Will.
9. The EGO-MANAS is liberating itself from the material things.
10. The Christic Will always knows how to obey the FATHER.
11. The Human Will must liberate itself from all kinds of limitations.
12. The Will must liberate itself from all sorts of preconceptions.

13. The Will must liberate itself from all sorts of prejudices.
14. The Will must not be converted into simple barriers of fear...
15. The Will must not be subject to desires.
16. The Human Will must become the Christic Will, to understand life in its free movement.
17. The Will must not be a simple instrument of fear.
18. The Will must not be enslaved by the preconceptions amassed in the dust of the centuries.
19. The Will must become a child.
20. THE EGO-MANAS must learn to live always in the present, because life is an eternal instant.
21. The Will must liberate itself from the earthly things, and throw itself totally into the arms of the FATHER.
22. Go forward, Oh! BUDDHA! Go forward...

## CHAPTER 6

### THE THIRD CHAMBER.

1. The Sacred Fire of the body of Will has now penetrated the Third Spinal Chamber.
2. A strange trumpet resounds...
3. Go out now, Oh! BUDDHA. Go out now with your GURU...
4. In the temple, my brother, receive the Rune HAGAL, the star with the six points, the divine breath of the sacred music of GOD.
5. Shine the Sacred Star, with an ineffable glow...
6. You have entered the kingdom of the music...
7. Delicious ineffable melodies resound in the divine ambits of the causal world...
8. Exquisite symphonies, impossible to describe in human words...
9. You have joined, my brother, the Academy of Music of the Causal world or world of the Will...
10. A great Master of music runs this sacred College...
11. This Master of music welcomes you...
12. This teacher is a genius of the Divine art, officiating in the Temple of Music...
13. His hair is long and grey, his face is like lightning, and it clearly reveals the majesty of GOD...
14. All disciples of this sacred college of Music are BUDDHAS.
15. Now the old teacher extends his hand affectionately, and shows you a secret greeting, by means of which the Adepts recognise each other...
16. The Christic Will is ineffable music...
17. The World of Will is that of the Music...
18. The music gives the Will the ineffable Harmony of the Gods...

19. The music and the will form a marriage of LOVE, impossible to describe in human words.
20. The music gives the will the ethnic ensemble of the beauty...
21. The music gives the will the harmony of the great Cosmic diapason.
22. The acts of will of the music are as harmonious and solemn as the movement of the stars in space...
23. While the Fifth Degree of the Power of Fire has not entered the Third Spinal Chamber of the body of Will, the acts of will will not be in agreement with the vibrant harmonies of the solemn Cosmic symphonies.
24. The Will when apart from the music is rough and coarse, like the caress of a feline beast...
25. However, when the Sacred Fire has entered the Third Spinal Chamber of the body of Will, the acts of will are actual living symphonies...
26. The Christic Will has got the majesty of the tempest and the love of the morning star...
27. The music gives the will the EURYTHMICS of an APOLLO and the beauty of the VENUS of Milo...
28. The Will of the Music is the Phallus of the Gods...
29. The Masters of the music are columns of the temple of the living God...
30. The Music generates acts as perfect as the harmonies of the Cosmic diapason.
31. The whole of the Universe is the temple of music...
32. Arthur Schopenhauer, in his book entitled "The World as Representation and Will", conceives Nature as the living incarnation of will...
33. He, however, forgot that Will is music...
34. Each living flower, the sigh of every bird, and the love hidden in the breast of the Earth, are the living incarnation of music...
35. Everything in Nature has its keynote, and the ensemble of all these constitute that superb tone of the Great Mother, that resounds amongst the burning space of the Chinese Kung...
36. When Joshua sounded the trumpet, the walls of Jericho fell down, because he played the keynote of these unconquered walls...
37. A soft word pacifies anger, and the discordant words break the harmony of the cosmic diapason, and generate disorders...
38. The ineffable orchestras of the Zodiacal Belt resound in the world of will, taking us to the most sublimes peaks of SAMADHI.
39. The great rhythms of fire give rise to the dance of the stars in the incommensurable spaces...
40. The Will of Music sustains the flux and reflux of life and moves the pendulum of the infinite existences during the whole of the MAHANVANTARA.
41. The Verb (the Word) is incarnated in the Heart of each Lotus, and the pulsation of each life.
42. "In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God; all things were made through him, and without him was not

anything made that was made. In him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it.

There was a man sent from God, whose name was John. He came for testimony, to bear witness to the light, that all might believe through him. He was not the light, but came to bear witness to the light.

The true light that enlightens every man was coming into the world. He was in the world, and the world was made through him, yet the world knew him not. He came to his own home, and his own people received him not. But to all who received him, who believed in his name, he gave power to become children of God; who were born, not of blood nor of the will of the flesh nor of the will of man, but of God.

And the Word became flesh and dwelt among us, full of grace and truth; we have beheld his glory, glory as of the only Son from the Father... And from his fullness have we all received grace upon grace.” (Jn: 1-16).

43. Music is the Will of GOD...

44. Music is the Christic Will...

45. Classical music generates Universes, and sustains Suns during the great Cosmic day. .

46. One goes into ecstasies when listening to compositions such as the Nine Symphonies of BEETHOVEN...

47. One is overwhelmed when in ecstasy amongst the notes of MOZART, CHOPIN and LISZT...

48. Every straight action is music of light.

49. Every mistaken action is fatal music.

50. Negative music such as the Mambo, the Guaracha, the Porro, the Cumbia, etc., is infernal music, is music of the abyss that only gives rise to fornication, adulteries, hate, overeating, drunkenness, crimes, etc.

51. With this we prove that the Will is music, and every action is the daughter of music.

52. The war marches inflame men and lead them to violence.

53. The funeral marches fill the eyes with tears and give rise to confusion of faces and sorrows.

54. The human words are articulated music, sometimes sweet and mild like ineffable melodies, sometimes satanic and discordant like infernal notes...

55. The articulated word is a terrible weapon, as much as for good as for evil.

56. When humanity had not yet left Eden it only spoke the verb of the light, which like a river of gold flowed sweetly under the forest full of sun...

57. In this ineffable verb of the gods, for the whole of Nature, amongst the ineffable depth of the music...

58. The verb of the Gods is sacred music...

59. This divine Verb has its sacred alphabet, and these sacred alphabets are the Divine RUNES. (See “IGNEOUS ROSE” by the same author).

60. The creative Larynx is the sexual organ of the Christic Will.

61. The Verb of the Gods gives existence to the worlds.

62. The Verb of the Gods is Christic Will.

Real Magic & Sorcery For the Aquarian Age --www.AcademyofSorcery.com

63. The Sacred Mantras: CHIS, CHES, CHOS, CHUS, and CHAS totally develop and unfold the Chakras of the Astral body.
64. CHIS - For Clairvoyance.  
 CHES - For the Hidden Ear.  
 CHOS - For the Heart.  
 CHUS - For the Solar Plexus.  
 CHAS - For the Pulmonary Chakras.
65. Our disciples will vocalise these mantras daily for an hour to develop the Chakras of their Astral bodies, and then they will be able to perceive the inner worlds.
66. The vowels of these mantras must be pronounced properly, so that they give rise to a positive result.
67. One must vocalise extending the sound as much as possible.
68. One must vocalise the S as a sibilant, sharp sound similar to the one produced by a compressed air brake, a prolonged sound, and a sibilant sound...
69. This is the way to pronounce it:
- CHIIIIIIIIIIIISSSSSSSSSS  
 CHEEEEEEEEEESSSSSSSSSS  
 CHOOOOOOOOSSSSSSSSSS  
 CHUUUUUUUUSSSSSSSSSS  
 CHAAAAAAAAASSSSSSSSSS
70. With this explanation we wish to say, that the sound of each of the mantras CHIS, CHES, CHOS, CHUS, CHAS must be prolonged.
71. It is understood that extending the sound of the vowels and the hiss of the S prolongs the sound of the mantras.
72. The very powerful mantras of the great verb of the Light develop the chakras of the Astral body of all our disciples completely.
73. The Verb of Gold resounds in all creation.
74. The Verb of Gold is Christic Will.
75. Rejoice Oh! BUDDHA, because now you have entered the temple of Music.
76. Study with patience the divine art of the Music.
77. From this moment, the teacher in this Sacred College will teach you the Music-Will.
78. The Music-Will is Christic Will.
79. The Christic Will is the Verb...
80. The Christic Will is Music.
81. CHRIST was the incarnation of the Verb.
82. The Verb became flesh and came to live amongst us.
83. He came to his own home, and his own people received him not.
84. "The light shines in the darkness, and the darkness has not overcome it."

## CHAPTER 7

## THE TRANSMUTATION.

1. We have now entered the Arcane twenty first of the TAROT.
2. If we add up this number, we obtain the number 3, that belongs to the degree three of the body of Will.
3. This is the Sacred chamber of the temple of Music.
4. The Transmutation of the water into wine inside the matrix of our own organic laboratory is only possible by the domination of the animal impulse by means of the Will-Music.
5. We already know that the Will is the same as music, and because of this we assert that the Music-Will permits us to transmute our semen into Christic energy.
6. Therefore the Sexual-Magic is ineffable music, is an exquisite melody, transmuting the semen into the wine of light of the Alchemist.
7. If we take into account that only by means of the Will power can we refrain the sexual act to transmute the water into wine, then we reach the logical conclusion that the music is the only one that can open for us the secret chambers of the Spinal Column.
8. However, we should not establish an abyss between the music and the Will, because music and Will are the same thing.
9. Sexual-Alchemy is only possible by learning how to play the lyre of our will.
10. This is the TWENTY-ONE ARCANE OF THE TAROT. This is degree Three of the Fifth Serpent.
11. The Music converts men into Gods.
12. Those that are still weak willed must daily sing the Rune TORN.
13. This exercise will be realised by the disciple putting his right hand on the waist or hip, and then vocalising the syllabi: TA - TE - TI - TO - TU, extending the sound of each vowel. Then he will vocalise the mantra TORN as follows:  
TOOOOOOOOOOOOOOORRRRRRRRRRRRRRRRRNNNNNNNNNNNNNNNNNNNN
14. With this indication we wish to affirm that we must prolong the sound of each letter.
15. We know that Sexual Magic is hard and difficult for men of weak will, and because of this we recommend that our disciples first practice the exercises of the Rune TORN, to acquire the strength of Will that permits them to manipulate the Sexual Magic heroically.
16. The Music-Will acts on our water (Semen) transmuting it into Christic energy, that is, into the wine of Light of the Alchemist.
17. The rune TORN is SOLAR, and is governed by the Zodiacal Sign of LIBRA.
18. We already know that the Zodiacal Sign LIBRA governs the Kidneys.
19. There are two Chakras in our Kidneys that register our degree of Chastity, or degree of animal fornication.
20. This is why the BIBLE says the following:

21. "And to the angel of the church in Thyati'ra write: The words of the Son of God, who has eyes like a flame of fire, and whose feet are like burnished bronze.

I know your works, your love and faith and service and patient endurance, and that your latter works exceed the first. But I have this against you, that you tolerate the woman Jezebel, who calls her a prophetess and is teaching and beguiling my servants to practise immorality and to eat food sacrificed to idols. I gave her time to repent, but she refuses to repent of her immorality. Behold I will throw her on a sickbed, and those who commit adultery with her I will throw into great tribulation, unless they repent of her doings; and I will strike her children dead. And all the churches shall know that I am he, who searches mind and heart, and I will give to each of you, as your works deserve. "(Rev 2:18-24).

22. The Clairvoyant can observe the Chakras of the Kidneys, a dirty red colour for the fornicator, an immaculate white colour for the chaste.

23. The colour of the Rune TORN is orange, green and yellow. The precious stone of this RUNE is the Carneol, and the metal is the Gold.

24. The Music-Will, is the Sacred Arcane of the TRANSMUTATION.

25. The Music permits us to transmute the water into wine.

26. The Chamber three of our Fifth Serpent is the ineffable temple of the Music.

## CHAPTER 8

### THE FOURTH CHAMBER.

1. A delicious orchestra resounds in the world of natural causes.

2. Enter the temple, Oh! BUDDHA, so that you can receive your symbolic shield.

3. The Sacred Fire of your Fifth Serpent has entered the Fourth Chamber of your body of Will.

4. Hoist your flag, conqueror Emperor.

5. Attend the supper of light, Oh! BUDDHA.

6. The Fourth Arcane is the EMPEROR of the TAROT, and it is just that you receive your shield, and that you hoist your flag, so that you rule the world of will.

7. This is the flag of the virgin...

8. This is the flag of the Goddess Nature; ISIS, ADONIA, ASTARTE.

9. One is the FATHER, Two the MOTHER, Three the SON, and Four the FAMILY.

10. The flag of the great Goddess is the symbol of the Universal family, is the symbol of what has been created.

11. The numerical value of the sign OLIN of the Aztecs is four.

12. Now include in yourself, Oh! BUDDHA, the four characteristics of the Sphinx.

13. You have the intelligence of the Gods, the daring of the lion, the tenacity of the ox and the majestic wings of the Spirit.

## CHAPTER 9

## WILL AND DESIRE.

1. Will and desire are two poles of the same thing.
2. The Will is positive, and the desire is negative.
3. Many mistake the will for the desire, and the desire for the Will.
4. However, the will and the desire are two poles, positive and negative, of man.
5. Now you, Oh! BUDDHA must change the sensation-desire for the sensation-will.
6. A long time ago you abandoned the desire, but now you must forget even the actual knowledge of the desire.
7. Before you used to practice your rite of Sexual-Magic with the ardent incentive of the desire.
8. Now, Oh! BUDDHA you must practice your rite of Sexual-Magic without the ardent incentive of the desire.
9. Before you used to dominate the desire by means of the will, and now the desire in you does not have the right to exist.
10. Not only we must abandon the desire, but also we have to do away with the provocation of the desire.
11. The desire-provocation must be transformed into the Christic Will.
12. The disciples can only practice Sexual-Magic without the ardent incentive of the desire.
13. But you, Oh! BUDDHA can only practice your cult of Sexual-Magic with the Will-Sensation that is the Christic Will.
14. The body of Will also has its own sensations that have nothing to do with the sensations of the body of desire.
15. The sensation-will is sensation-Spirit, is sensation-Christ.
16. The sensation of the body of Will has nothing to do with the sensations of the four bodies of sin.
17. The sensation of the body of Will is sensation-Spirit.
18. The sensation of the body of Will is sensation-Christ.
19. The sensation-Spirit is fullness, Light, Divinity.
20. The Will-Sensation is positive, the desire-sensation is negative.
21. The BUDDHA only practises his Rite of Sexual-Magic with the Christic Will, and not with the desire.
22. The woman is our Priestess, with which we transmute the water into wine, and arise the seven Serpents above the rod, as Moses did in the desert.
23. The woman is the entrance door to EDEN; the woman is the most beautiful thought of the Creator.
24. The Sexual-Magic leads us to the great Cosmic achievements.

## CHAPTER 10

## ASPECTS OF THE WILL.

1. The Human Will takes on the most varied aspects.
2. Now you must understand Oh! BUDDHA, the varied aspect of the Will.
3. The highest spheres of the social world are full of fornication and filth.
4. Have you seen Oh! BUDDHA, this game of Checkers in the world of the aristocracy?
5. Inside each room there is a pair of fornicators, and at the door a playful lady stops the couple from getting out.
6. You will understand now, my brother, that when playing with the will we become the jailers of the other people's will.
7. You will understand now, my brother, that the society games of the aristocracy serve to enslave the souls inside the filthy jails of fornication and adultery.
8. You can see now, my brother, how the playing of society games can enslave the souls.
9. Now you can understand Oh! BUDDHA, the terrifying strength of the will.
10. The Will is an explosive power, with which we cannot play.
11. Playing, a lady makes another lady to fall, and then becomes her jailer.
12. Ladies commit adultery playing society parlour games.
13. The social games of the high social spheres are pure and true black magic.
14. By means of the society games, the souls seduce the souls, taking away their freedom.
15. The will is a very dangerous power, with which one cannot play games.
16. You have already seen Oh! BUDDHA, what is provocation.
17. You have defeated subtle temptations...
18. You have understood, my brother, what is the good use of the Will.
19. You have already understood that you must respect other people's wills, and the free will of the rest...
20. You have already learned not to force other people's wills.
21. Enormous crowds follow you, Oh! BUDDHA, but you must respect the Human Wills.
22. You must be the servant of the suffering humanity, but not the enslaver of other people's wills.
23. You must respect the free will of the rest, to convert the human will into Christic Will.

## CHAPTER 11

## THE FIFTH CHAMBER.

1. Enter the temple of music, Oh! BUDDHA, to receive your lessons.
2. The Sun of the Father shines in all its splendour.

3. A bird gently flies, singing in the forest.
4. The Fifth Serpent ascends to the Fifth Spinal Vertebra of the body of Will.
5. Enter your Fifth Chamber, to celebrate the occasion.
6. You have already learned how to respect other people's wills. This is the Fifth card of the TAROT: THE HIGH PRIEST.
7. You have already dominated the effect of jealousy, because you have learned, Oh! BUDDHA, to respect other people's wills.
8. You have already learned to respect the Will of your family members, and the will of every living being.
9. You understand now, my brother, what it is to respect the free will of other people.
10. The FIRE is purifying bit by bit the Causal body or body of Will.
11. It is impossible to purify the physical body, or the Vital, Astral, Mental, Causal, bodies, or our Buddhic and Atmic vehicles, without the marvellous power of FIRE.
12. Those that wait to purify the Mind first and then begin to practice Sexual-Magic, resemble the garbage man that wants to purify the dung-heap without lighting up the Fire.
13. With the Fire we burn the slag and purify our internal vehicles.
14. However the Fire can only be lit by practising Sexual-Magic.
15. INRI (Ignea Natura Renovatur Integram). Fire unceasingly renews Nature.

## CHAPTER 12 THE SIXTH CHAMBER.

1. Your Sacred Fire has reached the Sixth Chamber of the Spinal Column of the body of Will.
2. Terrifying cosmic powers inundate your being.
3. Observe Oh! BUDDHA, that ineffable lady that looks at you behind the grille.
4. That is the beautiful HELEN... for who fought the heroes of ancient Troy.
5. For her fought the most illustrious warriors of ancient Helade.
6. Beautiful HELEN is the one for whom ACHILLES, the illustrious warrior, fought before the walls of TROY.
7. It is your Buddhi, the soul of Diamond, entered into the Christ-Mind.
8. Enter the Temple, my Brother, to celebrate the nuptial wedding with the BEAUTIFUL HELEN.
9. A nuptial march resounds in the ambits of time: this is the Sixth card of the TAROT: (THE LOVERS).
10. Now you betroth Oh! BUDDHA, the BEAUTIFUL HELEN...
11. The BEAUTIFUL HELEN is your superlative consciousness generated by your divine GOD in the dark waters of space.
12. ATMAN - BUDDHI is the Internal Master.
13. Now, Oh! BUDDHA, you have raised in Spirit and in Truth up to the BEAUTIFUL HELEN.

14. I tell my ARHAT that the EGO - MANAS must ascend up to the ATMAN - BUDDHI to fuse with him.
15. I tell my ARHAT that when the Human Will fuses with the Inner Master it becomes Omnipotent.
16. I tell my ARHAT that when the EGO - MANAS fuses with the ATMAN - BUDDHI, it becomes charged with all the ineffable powers of the INTIMATE and becomes Omnipotent.
17. I tell my ARHAT that the Fifth Initiation of Major Mysteries is the First Initiation to the NIRVANA.
18. I tell my ARHAT that the Fifth Serpent is the Third Serpent when we count starting at the ATMAN, and finishing at STULA SARIRA (THE PHYSICAL BODY).
19. I tell my ARHAT that each BUDDHA has seven BUDDHAS.
20. I tell my ARHAT that our divine ETERNAL TRIAD is Father, Mother, Sons, Wife, Brothers, self-searching and self-realising.
21. I tell my ARHAT that each BUDDHI has his BODDHISATWA.
22. I tell my ARHAT that the BODDHISATWA is the Human Soul with the Extracts of the mind of the four bodies of sin.
23. I tell my ARHAT that from the Physical body we extract the body of Liberation.
24. I tell my ARHAT that from the Etheric body we extract the Golden body.
25. I tell my ARHAT that from the Astral body we extract the Christ Soul; the Internal Christ is the Glorian, the shining dragon of Wisdom.
26. I tell my ARHAT that from the Mental body we extract the Christ Mind.
27. In this way then the inferior Quaternary reinforces the divine ETERNAL TRIAD.
28. By means of the sexual relation we betroth the BEAUTIFUL HELEN.
29. This labour is an endeavour of Sexual Alchemy.
30. The Sexual Magic transforms us into Gods.
31. The INTIMATE is the Son of the I Christ.
32. The I Christ is the Glorian of Each Man.
33. The Glorian is a Spark Emitted by the Central Sun.
34. The Central Sun is the Great Breath.
35. The Great Breath is the Army of the Voice.
36. The Army of the Voice is the Divine Beings.

5. One must patiently submit to the Law and the Justice.
6. The Test of Justice is terrible, and few succeed.
7. That one, who protests before his judges and accusers, fails the Test of Justice.
8. Those that despair before their judges and accusers, fail the Test of Justice.
9. We must remain indifferent before praise and condemnation, before triumph and defeat.

6. Recline on YOUR CROSS, Oh! BUDDHA.
7. The nails pierce the palms of your hands, and the arches of your feet.
8. The body of Will has been crucified in its wood.
9. This is your fifth Cross.
10. The Human Will has been crucified with an immense pain.
11. The trials have been terrifying... Oh! BUDDHA.
12. You have learned how to obey the Father, on Earth as well as in heaven.
13. You have learned how to obey the LAW.
14. You are unable to violate the commandments of the FATHER.
15. You are handling the sword in a wise manner.
16. You are sacrificing yourself for the Great Work of the Father.

17. The body of Will bleeds hanging from his Cross.
18. You are a Saviour of the World.

## CHAPTER 29

## CHAMBER 23.

1. The Sacred fire has entered the Chamber twenty-three of the body of Will.
2. This is the Arcane of THE LABORER.
3. By working in the Great Work of the Father, the body of your Will goes on Christifying.
4. Get up on your horse.
5. You have arrived at a temple.
6. You are laden with Victory.
7. You hang from your Cross, and your sacred stigmata bleed.
8. Your Judas accuses you, and throws against you the vituperation of the shadowy ones.
9. You have been sold for thirty pieces of silver.
10. The angry crowds hurt you and mock you.
11. You have learned to obey the Father.
12. Your heart bleeds hurt.
13. Those that before used to praise you, now vituperate you.
14. They have betrayed you and they have sold you.
15. The Masters brings you down from your Cross, to celebrate the occasion.
16. Get on your White horse now and march triumphal with the cavalry of the NIRVANA.

## CHAPTER 30

## CHAMBER 24.

1. The Sacred Fire has entered the Chamber twenty-four of the body of your Will.
2. The Human Soul dies and lives.
3. The Human Soul dies and returns to life amongst the living dead.
4. This is the Arcane of THE WEAVER.
5. Twenty-four is decomposed so:  $2+4=6$ . Six three times, is the number of the beast.
6. The six is the number of the Great Whore.
7. The six is the Number of Marriage.
8. The six is the number of the Human Karma.
9. The six is the number of the Lunar Karma.
10. The Human Weaver, the Great Whore, weaves and unravels her own destiny, in this world of sorrows.

11. You have been offered money, Oh! BUDDHA, to prostitute your science and you have not accepted it.
12. You have been offered fornications, and you have not accepted them.
13. You only want to carry out the Will of the Father, on Earth as well as in Heaven.
14. You will work with vast crowds.
15. I, AUN WEOR, AM SAMAEL.
16. In me was incarnated my Planetary being, my I Christ, my Glorian.
17. In me was incarnated SAMAEL, the PLANETARY LOGOS OF MARS.
18. He lives in Me, and I live in Him.
19. The one who listens to ME, listens to the one who sent me. I AM SAMAEL.

## CHAPTER 31

## CHAMBER 25.

1. Your Sacred Fire has entered the Chamber twenty-five of the Spinal Column.
2. This is the Arcane Twenty-five of the TAROT: THE NAVIGATOR.
3. You have fought in the Great Battle against the forces of evil.
4. Sailing in your ark, you have confronted great storms.
5. The battles of the inner worlds are actually gigantic.
6. The Argonaut heroically hurls himself against the great waves of the sea.
7. Roars the tempest of the stormy sea of existence.
8. The hurricane roars, and the Argonaut hurls himself against the storm.
9. Enter the temple, Oh! Buddha, to celebrate the occasion.

## CHAPTER 32

## CHAMBER 26.

1. Your Fifth Serpent has entered the Arcane twenty-six of the TAROT: THE PRODIGY.
2. Your inner powers shine prodigiously.
3. What you are, is something that humanity would not understand.
4. What you have learned amongst the flames, is something that men cannot understand.
5. Preach in the temples, the LIGHT.
6. Two plus six equals eight.
7. This number is the one of JOB.
8. You have patiently suffered for sorrowful humanity, and now the prodigy of the Arcane 26 makes it shine.
9. What you are, humanity would not understand.

10. Only you know what is the world of the MIST OF FIRE.
11. It is well worth the trouble to sacrifice us in the Great Work of the Father.

## CHAPTER 33

## CHAMBER 27.

1. Your Sacred Fire has entered now in the Chamber Twenty-seven of the TAROT: THE UNEXPECTED.
2. This chamber has a tremendous explosive power.
3. When it arrives at this Chamber, the Sacred Fire is invested with a frightful power that makes the Universe tremble.
4. You see, My Brother, that you can already lift a heavy cart, without much effort.
5. The motor of your car roars, and flares up terrifyingly, when you vocalise the letter "O".
6. This vowel gives you the power to dominate your four bodies of sin.
7. With this vowel we make ourselves obeyed by the bodies of sin.
8. With this vowel we dominate the earthly man.
9. With this vowel we dominate the donkey.
10. You know it...
11. A group of men are preparing to detonate an explosive mine.
12. The earth trembles, a cloud of smokes ascends... It is the unexpected.
13. The scorpion exhales fire...
14. The explosion makes the world tremble...
15. Scorching flames encircle you, and one can hear the sweet and peaceful sound of the LOST WORD.
16. The Sacred Fire enters the Chamber 27 of the Spinal Column of the body of Will.
17. You will work now with the human reincarnations.
18. It is your turn to collaborate with the evolutive wave in the processes related to the Law of reincarnation and Karma.
19. This is a thing of terrifying responsibility, Oh! BUDDHA.
20. There are two kinds of reincarnations.
21. One of them is that of the animals that get individualised, by entering for the first time in human organisms.
22. Another one is that of the human beings that abandon their human body, to enter by the doors of reincarnation, in a new human organism.
23. In this labour you must not have preferences, Oh! BUDDHA.
24. You should not make dangerous endeavours.
25. You should not mix opposite currents.

26. The body that is assigned to a soul just out of the animal state, should not be given to a human soul that is reincarnating, because that kind of preference is a violation of the Law.
27. The animal that for the first time awakens to incarnate in a human body has his special vehicle that you must respect.
28. However, if you favour a reincarnating human soul, and you were to give it the vehicle assigned to a recently individualised soul coming from the animal kingdom, you would commit an infraction of the Law and you would acquire a serious Karmic debt.
29. Because of this there should not be any preferences.
30. I tell all the Buddhas, that we must not attempt dangerous endeavours, nor should we have preferences towards anybody.
31. I tell my ARHATS that they should go on understanding these ideas as they go on preparing for the state of BUDDHAS.
32. I tell my ARHATS that these laws of the Blessed Goddess Mother of the World are terrifying.
33. I say to all the BUDDHAS that we should not attempt dangerous endeavours, because the violation of every Law brings Karma.
34. The same happens with those animal organisms prepared for vegetal elementals that have already reached the animal state.
35. We should not undertake dangerous endeavours.
36. We should not give to a recently animalised vegetal elemental the animal organism selected by Nature for another elemental from the same animal kingdom, or from vegetal kingdoms.
37. We must respect every matrix.
38. The Matrix chosen for a given being, must be respected, and should not be given in a capricious manner to other beings.
39. The BUDDHA that violates these laws of Nature will have to pay Karma.
40. In this way, we BUDDHAS work with the blessed Mother of the World.
41. However we must respect her Laws.

#### CHAPTER 34

#### CHAMBER 28.

1. Your Sacred Fire has entered the Arcane twenty-eight of the TAROT: THE UNCERTAINTY.
2. Do you see this human market, Oh! BUDDHA?
3. They throw dirty water at you, and you do not complain.
4. They throw mud at you, and you do not complain.
5. You are insulted, but you do not protest.
6. The human crowds hate you, Oh! BUDDHA.

7. They want to burn you in the fire of their anger, and they hurt themselves.
8. Your own fire devours them. You know it.
9. The Cosmic Justice is the supreme pity and the supreme impiety of the LAW.
10. Two plus eight equals ten. Ten is the wheel of fortune that turns unceasingly.
11. Ten is the wheel of comprehension.
12. The wheel of fortune turns unceasingly, and the fire of hate burns the riches of the wicked.
13. In this way is the Law fulfilled.
14. Enter the temple to celebrate the occasion, my brother.

## CHAPTER 35

## CHAMBER 29.

1. The Sacred Fire has now entered the Chamber twenty-nine of the TAROT: DOMESTICITY.
2. A delightful music resounds in the sacred ambits of this Chamber of the Temple.
3. The walls of your temple have already been built.
4. Now you have to raise your sacred tower.
5. In this way your EGO-MANAS is being Christified in the world of the Will.
6. Plato defined the EGO-MANAS as a compound of one and the other.
7. Actually the EGO-MANAS has something of man and something of angel.
8. The EGO-MANAS is a mediator between the earthy man and the Intimate.
9. When the EGO-MANAS learns how to obey the will of the FATHER on Earth as it is in Heaven, then he understands the Will of the FATHER, identifies himself with the FATHER, and Christifies himself.
10. The INTIMATE is symbolised by the Fire and by the SUN, our divine consciousness is symbolised by the moon and by the waters of the Sea.
11. The EGO-MANAS is son of both, and is represented by the air.
12. The solar Angels. The Agniswattas gave us the EGO-MANAS.
13. The EGO-MANAS is a son of the SUN and the MOON.
14. The EGO-MANAS is the Human Will that must Christify itself to achieve fusion with the INTIMATE.

## CHAPTER 36

## CHAMBER 30.

1. In the train of Human evolution you march swiftly, Oh! BUDDHA.
2. You are poor...

3. You are offered illicit possibilities to get money, but you do not accept them, Oh! BUDDHA.
4. You are poor and needy...
5. Come into this restaurant, my brother.
6. Here you are offered employment as a waiter to wash the dishes...
7. Accept this magnificent job, my brother...
8. Humble service is better than stealing or swindling...
9. Humble work has great merit in the human evolution.
10. Humble work is in tune with the Hierarchy.
11. You are hungry, Oh! BUDDHA...
12. Sit down to eat at the table of the servants...
13. Eat with humility, my brother...
14. A group of beggars surrounds you.
15. Share your bread with them.
16. Here, one of the dirtiest and most ragged beggars approaches you, and offers you a piece of bread, receive it with humility, my brother, receive it, and do not look down on the humble.
17. An interchange of love is preferable to an exchange of profiteers.
18. You have succeeded in your test, Oh! BUDDHA.
19. If you had failed in your test, if you had look down on the humble, if you had been overtaken by greed, you would have failed this esoteric degree.
20. You have succeeded Oh! BUDDHA, and your Sacred Fire has reached the Sacred Chamber of the Verb.
21. This the Arcane Thirty of the TAROT: EXCHANGE.
22. In the Chalice shines the head crowned by thorns.
23. The Human Will is being totally converted into Christic Will.
24. You have already received your mission, Oh! BUDDHA.
25. The burning fire of your Fifth Serpent shines in the Chakra of your Larynx.
26. You speak in the verb of light, and your verb is the verb of gold.

## CHAPTER 37

### CHAMBER THIRTY-ONE.

1. The Sacred Fire has entered Chamber thirty-one of your Spinal Chamber.
2. You have been submitted to all sort of tests, and you have emerged triumphant.
3. Walk with the Child of your Christified Will in your arms, towards the Gnostic Church.
4. The crown of the Saints shines on every side of your head.
5. Enter the temple to celebrate the occasion, my brother.

6. This is the thirty-first card of the TAROT: IMPEDIMENT.
7. These two children symbolise two paths that are open in front of you, like the great “V” of Victory.
8. You are before two paths.
9. One of these paths is the Logoi path, the path of the starry heavens, the spiral path of the Firmament.
10. The other one is the Path of the long and bitter duty that takes us to the actual entrance of the ABSOLUTE.
11. The Swami Vivekamanda has said that when the Initiate tries to penetrate the ABSOLUTE, tempting Gods appear that offer to make him King of determined zones of the Universe, to stop him from attaining his freedom.
12. These tempting Gods have been unable to become free, and jealous of their own Hierarchy tempt the passers by to stop their entrance to the ABSOLUTE.
13. These beings are a thousand times more dangerous than humans are.
14. A Great Divine Hierarch comes to meet you when you arrive at the point of departure of the two paths.
15. This being has a terrifying appearance, and he shows you the two paths.
16. The Nirvanic path is good work, and the path of the ABSOLUTE is superior work.
17. The Nirvanic path follows the spiral of life.
18. The path of the ABSOLUTE is the Path of long and bitter duty.
19. The Nirvanic path is full of Paradises.
20. The path of the ABSOLUTE is the desert of the Gods.
21. The Nirvanic path is the way of happiness, and through many Mahamvantarars the gods will be freed from the planetary masses, to enter the ineffable happiness of the ABSOLUTE.
22. However, there are Logoi like the God Sirius, governor of eighteen millions of constellations, that still have not managed to free themselves from the Cosmos, to enter the ABSOLUTE.
23. My brother, you are before a jealous guardian of the Cosmos; choose now one of these two paths, adept, do not think any more, because now there is no time left to think.
24. This great Hierarch offers you the wonders of infinity, and jealous of his own Hierarchy he invites you to enter the Nirvanic path, and warns you of the dangers of the Path of long and bitter duty, that directly leads to the ABSOLUTE.
25. Define yourself now, and enter.
26. I tell my ARHATS that it is better to enter the Path of long and bitter duty.
27. I tell them that the Nirvanic Logic path offers us many paradises, but it is dangerous...
28. There are millions of Gods laden with very serious Karmic compromises.
29. There are millions of Gods that have been unable to enter the ineffable happiness of the ABSOLUTE.
30. The Path of the long and bitter duty leads us directly to the uncreated light of the ABSOLUTE.

31. The Path of the long and bitter duty leads us to the ineffable happiness of the NOT BEING, that is truly the REAL BEING.
32. The Path of the long and bitter duty leads us to the profound blackness of the NOT BEING.
33. In this profound blackness the uncreated LIGHT shines.
34. In the Path of the long and bitter duty we go on awakening our consciousness, plane after plane, until awakening totally in the ABSOLUTE.
35. The one who awakens the absolute consciousness stops existing and passes on to the BEING.
36. The one who awakens the absolute consciousness enters the ineffable happiness of the purest PARINISHPANA.
37. The one who awakens the absolute consciousness is a Paramartasa, who is beyond consciousness.
38. The ABSOLUTE contains the one who knows, the knowledge and what is known, inside a total Unity.
39. The ABSOLUTE is beyond the LIGHT and the darkness.
40. The ABSOLUTE is beyond the Spirit and the matter.
41. The ABSOLUTE is beyond reason, and beyond the silence and the sound, and the ears to perceive it. The ABSOLUTE is beyond consciousness.
42. The aspects of the ABSOLUTE are: abstract Space, Eternity and movement
43. The void, the darkness and the No-I, are the Absolute Unity.
44. That void is plenitude, that darkness is uncreated LIGHT, and that No-I of the Philosophy is the BEING, the Real I, the already liberated Intimate.
45. When the peak hour of the first instant sounded, the brilliant sons of the dawn of the Mahanvantara came out of the entrails of the ABSOLUTE, because they had not awakened the absolute consciousness, and the ABSOLUTE without the absolute consciousness is not happiness.
46. Paranishpana (the happiness of the Absolute) without Paramartasa (the awaken Consciousness) is not happiness.
47. If we deposit in the ABSOLUTE an ordinary man after desincarnation, this man would be full of horror before the profound darkness of the NOT-BEING and before the horrible void of the NOT-I. Then he would beg to be taken away from the ABSOLUTE and be taken to the world.
48. Only the ABSOLUTE is Absolute happiness for the Paramartasatyas, for those who are liberated from the COSMOS and have awakened the absolute consciousness.
49. Fertilising the chaotic matter, the Fire will make the Cosmic life grow after each profound night.
50. The Fire and the water are the Father and Mother of the UNIVERSE.
51. The Fire is the masculine pole and the water is the feminine principle.
52. The Fire is represented by the VERTICAL PHALUS and the water by the Horizontal line; both together form a CROSS.
53. The Fire fecundates the water, is symbolised by the Sign of the CROSS.

54. The Fire is the Father, and the water the Mother of the universe, both together form the CROSS.
55. The UNIVERSE is the son that hangs from the CROSS.
56. The CROSS rises amongst the water of the CHAOS, in which the CHRIST is christified.
57. Christ is a Paramartasatya.
58. CHRIST is the only one Engendered.
59. CHRIST has absolute consciousness.
60. CHRIST is an inhabitant of the ABSOLUTE.
61. CHRIST left the ABSOLUTE, to govern the whole of the Cosmos.
62. The FATHER of whom CHRIST speaks is the ANCIENT, THE BEING.
63. CHRIST is the mediator between men and the ANCIENT OF DAYS.
64. He told the CHRIST, "YOU ARE MY SON, I HAVE ENGENDERED YOU TODAY."
65. "YOU ARE ETERNALLY A PRIEST, ACCORDING TO THE ORDERS OF MELCHISEDEK."
66. "In many and various ways God spoke of old to our fathers by the prophets; but in these last days he has spoken to us by a Son, whom he appointed the heir of all things, through whom also he created the world. He reflects the glory of God and bears the very stamp of his nature, upholding the universe by his word of power. When he had made purification for sins, he sat down at the right hand of the Majesty on high, having become as much superior to angels as the name he has obtained is more excellent than theirs.

For to what angel did God ever say,

"Thou art my Son,  
today I have begotten thee"?

Or again,

"I will be to him a father  
and he shall be to me a son"?

And again, when he brings the firstborn into the world, he says,

"Let all God's angels worship him."

Of the angels he says

"Who makes his angels winds and his servants flames of fire."

But of the Son he says,

"Thy throne, Oh God, is for ever and ever, the righteous sceptre is the sceptre of thy kingdom.

Thou hast loved righteousness and hated lawlessness; therefore God, thy God, has anointed thee with the oil of gladness beyond thy comrades."

And,

"Thou, Lord, didst found the earth in the beginning,

and the heavens are the work of thy hands;

they will perish, but thou remainest;  
 they will all grow old like a garment,  
 like a mantle thou wilt roll them up,  
 and they will be changed.  
 But thou art the same,  
 and thy years will never end."

But to what angel has he ever said  
 "Sit at my right hand,  
 till I make thy enemies  
 a stool for thy feet"?

Are they not all ministering spirits sent forth to serve, for the sake of those who are to obtain salvation? (Heb 1: 1-14).

## CHAPTER 38 CHAMBER 32.

1. Your Sacred Fire has entered Chamber Thirty-two of your Spinal Column.
2. This is The Arcane thirty-two of the TAROT: MAGNIFICENCE.
3. You have been successful in all the tests.
4. You have been offered riches, pleasures, fornication, and earthly magnificence and which you have rejected with energy.
5. This Arcane belongs to the degree of Lion of the Law.
6. You are indifferent before praise and vituperation, before wealth and poverty, before triumph and defeat.
7. You have learned to recognise the good in the bad, and the bad in the good.
8. You have learned to handle the Sword of Cosmic Justice.
9. In all of these tests you have emerged victorious.
10. You have learned how to recognise the just.
11. Justice is beyond good and evil.
12. The Gods are beyond good and evil.
13. Justice gives our consciousness the absolute equilibrium and the perfect rectitude.
14. Justice is the supreme piety, and the supreme impiety of the Law.
15. The great Hierarchs of Karma have heads of a jackal with ears of a wolf.
16. In the constellation of the Great Dragon that shines in the north reside the Great Lords of Karma that rise and sink continents, and that punish mankind.
17. The seven Pleiads rule the Karma of the nations.

18. In the polar Star of the North live those that create races that rule the destiny of the human races.
19. All these Beings are beyond good and evil.
20. You have rejected all the splendours of the Earth, all the pleasures of your race, and now you are a Lion of the Law.
21. Enter the temple, my brother, with the oil lamp in your hand.
22. Receive your celebration with joy.
23. Your oil lamp always burns before the cloth of the veronica.
24. Your Human Will is being converted into Christic Will.

#### CHAPTER 39

#### CHAMBER 33.

1. The Sacred Fire has entered the Arcane thirty-three of the TAROT: THE ALLIANCE.
2. The EGO-MANAS has married the beautiful Ellen.
3. You have succeeded in your chastity test.
4. The wings of Mercury shine in the Altar of the Temple.
5. The Sacred Fire flames searing in your Pineal gland.
6. Now we only await the fusion of the EGO-MANAS with the BEAUTIFUL ELLEN.
7. Patiently wait for the INITIATION.
8. The number 800 shines over the Altar.
9. The number 8 repeated in the BUDDHI and the ATMAN will give later on the 888, which is the number of the SOLAR LOGOS.
10. The white dove of the HOLY SPIRIT shines above your head.
11. The AOM resounds in the profound ambits of the temple.
12. The temple is full of flowers, and a delightful music resounds in all the infinite spaces.
13. The Will of the Son and the Will of the FATHER have formed an alliance, and the Son must throw a crown at the feet of the LAMB.
14. You have been tested and tested again, and are now perfectly prepared for the INITIATION.
15. Wait Oh! BUDDHA, for that happy moment.

#### CHAPTER 40

#### CENTRE OF BRAHMARANDRA.

1. The Sacred Fire has reached now the Centre of Brahmarandra.
2. This centre is situated in the fontanel of the newly born.
3. Your Fire emerges by that door to the external world.

4. The Fire spreads by the circulating atmosphere.
5. The Divine RABI of Galilee approaches you, Oh! BUDDHA, to instruct you.
6. The image of the Crucified one glows in your Heart.
7. In the Temple, ineffable music resounds with the most exquisite melodies.
8. You have renounced the happiness of the NIRVANA, for the love of HUMANITY.
9. The BODDHISATTWA who renounces to the happiness of the NIRVANA for the love of Humanity is confirmed as thrice honoured, and after ages he earns at the end the right to be born in the ABSOLUTE, as a Paramartasatya.
10. The guardian wall is made up of the Masters of compassion, by the Nirmanakayas, by those who have renounced the Nirvana for the love of humanity.
11. Those who renounce Nirvana because of love for Humanity can conserve their physical body during the whole of the terrestrial period.
12. This is the ELIXIR OF LONG LIFE.
13. Master MORIA possesses a physical body of incalculable age.
14. The Count Saint Germain actually has the same physical body with which he was known during the XVII and XVIII centuries in Europe.
15. All of us, the members of the Sacred College depend on SANAT KUMARA, the Founder of the Sacred College of INITIATES of the Great White Universal Brotherhood.
16. SANAT KUMARA lives in an oasis of the Gobi desert.
17. There he has his temple.
18. This oasis was in other times a sacred island in the Pacific.
19. In this sacred island lived great illuminates of the third race.
20. In time this sea retired, and today this sacred island is an oasis in the Gobi desert. There lives SANAT KUMARA with a group of Great Initiates.
21. The White Dove of the Holy Spirit flies above your head, rejoice before the music of the temple.

#### CHAPTER 41

#### THE FRONTAL CHAKRA.

1. The Sacred Fire has now arrived at the space between the eyebrows, where the Frontal Chakra shines.
2. The Coronary Chakra has now been completely connected with the Frontal Chakra.
3. An interchange of currents between the Pineal gland and the Pituitary gland glows aflame.
4. The Pituitary gland is the page and the antechamber of the Pineal gland.
5. The Pineal gland is the eye of Dagma.
6. The Eye of Dagma is the Unique Eye that wakens up with the conjunction of the Buddhi and the Ego-Manas.
7. The Manas Putras, the great beings, gave the Buddhi to us from Mercury.

Real Magic & Sorcery For the Aquarian Age --www.AcademyofSorcery.com

8. The Buddhi must absorb the Ego-Manas.
9. Now the Eye of Dagma glows and its page of the Frontal Chakra shines in the space between the eyebrows.
10. The Sun shines tearing the clouds.
11. Three children kneel.
12. There is a celebration in the temple, there is joy.
13. Seven sacred chambers connect the head to the heart.

## CHAPTER 42

### THE MAGNETIC FIELD AT THE ROOT OF THE NOSE.

1. The Sacred Fire has now entered the Magnetic Field at the root of the nose.
2. This magnetic field is intimately related to the solar and lunar atoms.
3. The pure Akasha that circulates by the Brahamanic Cord goes over this magnetic field at the root of the nose.
4. The three breaths of pure Akasha descend from the Brahamanic cord to combine with the Seminal atoms that ascend when the sexual impulse is reined back.
5. When the man ejaculates the semen during the practices of Sexual Magic, the three breaths then combine with the atoms gathered from the individual hells of man.
6. After the ejaculation, the peristaltic movement of the sexual organs gathers from our particular atomic hells, billions of demonic atoms, that ascend by the Brahamanic cord, to combine with the three breaths of pure Akasha.
7. In this way the Kundalini, instead of ascending by the Medulla, then descends from the Coxygeal bone forming the famous tail of the demons.
8. However, when the sexual impulse is reined back to avoid the seminal ejaculation, then the seminal atoms ascend to combine with the three breaths of pure Akasha.
9. In this way the Kundalini awakens in a positive manner, ascending by the Spinal Chord.
10. In this way we realise ourselves as masters of Mahamvantara.
11. The Solar and lunar atoms make contact in the root of the nose.
12. This magnetic field attracts the best atoms of the Universe, when we live a chaste and pure life.
13. A Master treats all these centres for you in an occult manner.
14. The frontal Chakra and the pineal gland, that is, the glands Epiphysis and Hypophysis, are true Universal worlds that glow, glitter, shine.
15. In the Temple the occasion of this first Holy Chamber is being celebrated.
16. From the space between the eyebrows to the heart, there are Seven Holy Chambers that communicate the chalice with the Heart.

## CHAPTER 43

## SECOND CHAMBER.

1. The Sacred Fire has entered the second Holy Chamber that goes from the space between the eyebrows to the heart.
2. The Temple where you are going to receive your Fifth Initiation of Major Mysteries is still closed, awaiting the solemn instant of the Heart.
3. It is a gigantic temple.
4. An Adept Lady opens the door of the great monastery.
5. Enter Oh! BUDDHA, and wait for the hour...
6. There is a celebration because of the triumph of the new Chamber.
7. Be patient, Oh! BUDDHA.

## CHAPTER 44.

## THIRD CHAMBER.

1. The Sacred Fire has now arrived at the Third Chamber of the igneous path that goes from the space between the eyebrows to the heart.
2. A door opens.
3. Enter, my brother, to the Holy Chamber.
4. In this hall there is a celebration of Gods.
5. Speak to your Father who is in heaven, receive the celebration, and enjoy with the Gods.
6. The body of your will glows fiery.
7. Speak to your GURU, and rejoice.
8. Little by little approaches the Great Hour of INITIATION.
9. Remember that the Universe is nothing more than a floating shadow, and that the most divine planes of consciousness are no more than pure masses of shadows before the majesty of the uncreated Light of the ABSOLUTE.
10. Now your GURU warns you that he is bound to you, and that he hopes that you are not going to embarrass him before the Law.
11. Your GURU is responsible that you are in the Mysteries.
12. He must answer before the Law for your progress.
13. Do not forget Oh! BUDDHA, that the Buddhas can also fall.
14. While one has not been liberated from the intra-cosmic soul, there always is the danger of falling.
15. This Universe exists because of the Karma, and the same Gods exist because of the Karma.

16. When the Causal Logos started his electric movement at the dawn of the Mahamvantara, nothing was heard other than the cries of children, pleadings and anguish.
17. The Gods cried at the dawn of the Mahamvantara.
18. The Causal Logos contains in his divine mind all the Karmic causes that gave rise to the existence of the Universe.
19. When this Great Being started to move on the face of the waters, there was nothing but weeping and anguish of the Gods.
20. The uncreated LIGHT of the Absolute moved away from the Gods little by little and then the Gods fell amongst this mass of Universal shadows.
21. When the Great Logos who expresses himself as electricity in everything that exists emitted the LOGOS of the Solar System and the Seven Planetary Genies, there was nothing but bitter weeping.
22. When the Gods that were fertilising the chaotic matter with the fire started to weave in the loom of God, there was nothing but bitter weeping.
23. The Gods wept at the exit of the ABSOLUTE.
24. They cried because of the uncreated LIGHT that had already become darkness for them, and they apologised for themselves, saying: I am not guilty, I am not guilty, etc., etc., etc.
25. The Gods fell when the Great Mother stole the fire from them.
26. The Great Mother shone with pleasure with the Universal protogonos.
27. The Virgin Mother snatched the rod from the Gods, and withdrew the world of the Mulhadara Chakra.
28. This is the Karma of the Gods.
29. Fortunately, the spiral of life keeps on raising the Soul of the Gods to planes of consciousness which are each time more elevated, with the dawn of each Mahamvantara.
30. At each Great Cosmic Day, the Universe is raised to a higher plane.
31. Until at the end, the Soul of fire of the Gods is totally absorbed by the ABSOLUTE.
32. This is the Karma of the Gods, to work with the worlds.
33. In the dawn of life they cried when they were submerged in the shadows of the Universe.
34. When the Gods started to weave in the loom of God, when they started to fecundate the chaotic matter with the Sacred Fire, they cried with pain.
35. It was then when, feeling sorry for them, an inhabitant of the ABSOLUTE, the CHRIST, a PARAMARTASATYA, descended from the Universal shadows moved by compassion to save men and Gods.
36. The CAUSAL LOGOS emitted from his divine mind the Cross inside the Circle, and when the Fire and Water formed a Cross with the Divine marriage, the Christ hung himself from that Cross to save mankind and the Gods of this Universe.
37. Forward, Oh! BUDDHA, forward and do not dismay, this is the advice I give you before the three candles of this Holy Week.

38. Free yourself of all cosmic planes, so that you are born in the free life in its movement.
39. Free yourself from all Cosmic planes so that you cease to exist and become ABSOLUTELY a BEING. We need a supreme death, and a supreme resurrection.
40. It is better TO BE than to exist.
41. The ABSOLUTE is abstract absolute space without limits, and abstract absolute movement, between the pleroma of the uncreated Light, where only the happiness of BEING without existing shines, the happiness of the free life in its movement.
42. Forward, Oh! BUDDHA forward and do not weaken.
43. The Christic force that we carry in our sexual organs takes us to the ABSOLUTE.
44. The electricity of the CAUSAL LOGOS connects us with the ABSOLUTE.
45. The ABSOLUTE is extremely pure electricity.
46. The electricity is expressed in us as a sexual instinct.
47. The electricity lights up the FIRE, the LIGHT and the FLAME.
48. When the fire of the FATHER was sexually united with the Great Mother to create the Universe, the Gods cried the departure of the ABSOLUTE.
49. It was then that the CHRIST, emanated from the uncreated light, descended to the Universal shadows, penetrated the Sanctuary and signed the solemn undertaking of the sacrifice to save men and Gods.
50. Later on this same undertaking was sealed with his own blood, over the ineffable heights of Golgotha.
51. The Supreme redemption is a supreme death, and a supreme resurrection.
52. The Human personalities are leaves pulled by the Great Wind, vain shadows. It is necessary to crucify the Human affections and die to live terrifyingly.

8. The Inferno of Dante opens up before my feet.
9. Inferior regions of passionate focus.
10. I momentarily descend to those abysses.
11. One of the Lords of Karma warns me that I have already suffered too much for three years and that now I have to dress better.
12. I ask whether my practices of Sexual Magic are correct, and the Master answers me yes, they are correct.
13. Intensely practising Sexual Magic with the woman, I have raised my Fifth Serpent above the rod.
14. The static electricity becomes active only when the magnetic fields are intensely magnetised.
15. The electricity moves whenever it wants, and vibrates, but can only be utilised when it is constrained to pass by the electromagnets, where it accumulates.
16. No electrical generator could generate electricity, if beforehand the magnetic fields had not been intensely magnetised.
17. The electricity is the daughter of Magnetism, and can only be generated by means of magnetism.

18. The electricity is the wife of the Magnetism, and can only be generated in sexual marriage with the Magnetism.
19. Man and Woman must magnetise each other by means of the Sexual Magic, so that from the magnetic fields of our sexual organs the divine electricity of the Kundalini is generated.
20. Enter now to receive your INITIATION, my brother. The temple is full of Glory.
21. You are the son of your own wife; she has given birth to you as a Master of the COSMOS.
22. OSIRIS is husband, son and brother of ISIS, do not forget this.
23. The Sinosephalo is a monkey with a dog head and has a rod with seven knots in his right hand.
24. The Sinosephalo is the Mercury of the secret Philosophy, is the organs of the sexual passion, is the insatiable thirst of the SEX, is the beast from where we must heroically extract the Sacred Fire.
25. The Mercury, that is, the semen of the Sinosephalo, must always be between Isis and Osiris, to realise the Great Work.
26. You have generated your Christic Will.
27. Your Human Will has become Christic Will.
28. You have already sat down on your new throne. The INICIATOR has extracted from your Causal body a very precious child: your Christic Will.
29. This precious child unites now with your intimate.
30. The whole of your personality has been absorbed by your SOUL-BUDDHI-MANAS.
31. You have been left totally illuminated, full of terrifying powers that flame in the Universal Fire.
32. The conjunction of BUDDHI-MANAS has opened for you the Eye of Dagma.
33. You are a Master of Shamadi, a Son of the Light.
34. You now love your wife more than before, she is your mother...
35. Love elevates the Souls. Love generates Gods.
36. The Woman is the door of Eden, and those who enter by that door will drink the pure water of life, and they will never be thirsty.

#### CHAPTER 54

1. We must obey the Will of the Father, because man is vain and foolish.
2. Actually Human Consciousness is vain. Personal life is vain, human science is vain, reason is illusory. Human actions are illusory.
3. The only thing that is real is the ABSOLUTE.
4. The ABSOLUTE is expressed as an impersonal movement.
5. The Great Breath of the Absolute draws the human multitudes like dry leaves in summer.

6. The multitudes are leaves drawn by the terrifying wind.
7. Man knows nothing, because the only one who knows is the Absolute.
8. The mind and the human personality, with all of their affections and loves, have got us chained to the rocks of pain and bitterness.
9. Let the will of the FATHER be done, because mine is worth nothing.

#### CHAPTER 55

1. Do not forget My Son that the Father is the Ancient of the Days.
2. The Intimate is nothing but the very beloved Son of the Father.
3. The Ancient of the Days is your real Being.
4. You are the Ancient of the Days.
5. The Ancient of the Days is that ray from which emanated your Intimate.
6. There are as many fathers in heaven as men on earth.
7. The Ancient of the Days is the ray emanated from the Absolute.
8. This ray is a breath for itself, deeply ignited from a vapour of the Great Breath.
9. All of the great breath, is the army of the voice. It is the Logos, the creative word of the first instant.

#### CHAPTER 56

1. Listen to me, Oh BUDDHAS! Listen Sons, and Listen Ancient Ones.
2. The waters are the Christonic Semen of the Universe.
3. Everything comes from the Sea; everything goes back to the Sea.
4. The Sea is the Semen of the Universe.
5. This Sea is in our Sexual Glands.
6. These are the waters of Genesis. The waters of space.
7. The Semen is the Mercury of the secret Philosophy, of the Mulaprakriti of the Orientals, of the Chaos.

9. The combinations of the infinite substance are marvellous. This infinite substance, is the Universal Semen.
10. This Semen is the sea, the water of all creation, the great Ocean from which everything comes and everything returns. It is the Great Life.

## CHAPTER 57

## THE SEX

1. The Swan symbolises The Love.
2. In Eden the Swans of immaculate whiteness serve at the table of the gods.
3. In Eden the Swans of livid plumage prepare in their immaculate gullets ineffable dishes that they place amongst the glasses of the angels.
4. The angels drink dishes from Eden. Divine dishes that the Swan refines in its adamantine gullet.
5. The Swan KALA-HAMSA floats on the waters of life.
6. The combinations of the infinite substance are marvellous.
7. The Seminal waters are transformed into ineffable dishes inside the gullet of the Swan.
8. The Continents with everything that exists came out of the sea, and will return to the sea.
9. The Elementals of the trees also love each other.
10. The Wedding beds for these ineffable beings are the roots of the trees.
11. They unite Sexually without spilling the Semen.
12. Thus the seed penetrates the abdomen of the female.
13. When life is crystallised, then appears the fruit in the plants.
14. Thus surges the life of the etheric world.
15. The etheric world is Eden. From Eden life is born.
16. Listen to me, Oh! BUDDHAS! do not spill your Semen and then you will return to Eden.
17. Everything comes out of the Sex; everything comes out of love.
18. The Swan symbolised love. The Swan feeds itself with love. When one of the couple dies, the other dies of unhappiness.
19. All the lives that palpitate are one single great life hidden in the seminal waters of life.
20. My Sons: You are the Sun and are the ant, the peaceful and solitary tree, and the rebel eagle.
21. We all are the great life that palpitates in each heart.
22. That great Universal life is hidden in the great SEXUAL Ocean OF LOVE.
23. The Swan of immaculate whiteness serves the table of the angels.
24. The water is the Semen.
25. The combinations of the infinite substance are marvellous.
26. Let us do the will of the Father on Earth as it is in Heaven. AMEN.
